TEACHING SCHOOL ALLIANCE

Unlocking Potential

Fancy gaining some fantastic work experience and earning £300 a week at the same time?

Well read on, as the Under-Graduate Paid Internship Scheme could be just for you!

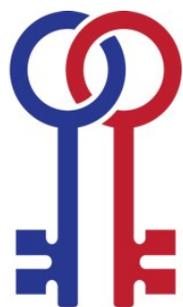

Under-Graduate Paid Internship Scheme at St. Peter's Solihull Teaching School Alliance

Are you:

- In your second year of University?
- Studying for a degree in Science, Technology, Engineering or Mathematics?
- Available for four weeks in June or July 2017?
- Considering becoming a Teacher of Maths or Physics

The Paid Internship Scheme is a Government funded project to encourage more under-graduates to consider a career in teaching Maths or Physics at secondary school level. This four-week scheme, based at St. Peter's Catholic School in Solihull, will allow you to get an insight into the teaching profession through working closely with experienced and enthusiastic teachers and pupils aged 11-18. Whilst there is no obligation to commit to becoming a teacher by the end of scheme, we hope we can show you what a fantastic profession teaching is!
